Session 2 will last five and a half hours each slot has been divided between parents each of you will cover approx 1 hour 20mins each. I would suggest that during warm up you meet and agree swop over of duties.

This is a requirement by Leinster/Swim Ireland, if your child is swimming you are required to provide cover. Our allocation is based on number of swimmers competing. Each club must fulfil their rostered duties or swimmers from that club will not be permitted to compete.

All duties will be explained by Leinster officials at poolside during warm up.
