October 2011

To Whom It May Concern:

I am please to announce the 5th NUIM Devils Christmas Meet in the National Aquatic Centre on the 11th December 2011.

Last year we ran the gala to the delight of the swimmers parents and officials. No time keepers were sought from the gallery as all were swimmers or parents of NUIM Devils, all coaches were offered food and drink for the interval.

All swimmers were all entered into a raffle for Speedo spot prizes with in excess of 100 winners!!

Our gala ran very close to time only being 20mins over due to a delay from a jolly man in a beard and red overcoat.

Yes Santa came to visit in the afternoon to the delight of our younger swimmers. Were hoping Santa will call again !!

Some points to note are that each heat winner will win a prize, all events are H.D.W. in the Open and Junior sections. Medals will be awarded for 1st, 2nd, and 3rd places in all events except the 50's. Speedo prizes will be awarded to the 1st, 2nd and 3rd place in the four 50m events.

A separate Speedo prize will be awarded to the swimmer who swims the four 50m events in the fastest accumulative time. In the event of a tie a swim off will take place, the 50m event will be chosen by picking the event out of a hat.

Junior events in the 11 and 12 year age group will swim together in the heats but medals will be awarded for each age group separately.

The winning relay teams will win a Perpetual Trophy, in the junior section the age groups are combined as 11/12yrs and 10yrs and under. All relay members must have swum at least one individual event.

In the Open section there are no age or entry restrictions, therefore swimmers may compete in either or both Junior and Open sections subject to them making the entry standards.

As a thank you to coaches and recognition of their contribution, all team coaches, up to a maximum of 2 per team, are invited to a free lunch during our break. Please indicate on the summary sheet the names of the coaches so that we can pre book their food.

Knowing how challenging the economic times are we have kept our costs as low as possible. Entries received on or before the closing date will be €6 and relays €20. The closing date will be 28th November 2011.

Late entries received after the 28th November are €7.50 and relays are €25

Our unique program was well received last year with it's puzzles for young and old and we hope to continue to do this as we link education and sport together.

Entries should be sent by

Hytek to

maryseery@gmail.com,

or

by post to

Martin J Mc Gann, Swim Office,

South Campus, NUI Maynooth,

Co. Kildare.

Cheques should be payable to NUIM Swimming.

If you have any further questions about the gala, please
feel free to contact me.
